SouthFork Restaurant and Pub is not a franchise or Corporate owned. We are a family owned business that offers great food, great hospitality and a GREAT staff. Let us know if we can do better! Always looking for improvement. We truly appreciate your business and hope that you come back.

Due to new government regulations on credit cards, transaction fees on credit cards, and “perks” on credit cards, we now charge a minimal “convenience fee” on all credit cards. The price to accept credit cards is not cheap. SouthFork receives none of this. You can pay by cash, check or we have an ATM machine in the bar.
Thank you.
